

**2021 Burke Station Citizen's Association (BSCA) Board of Directors**  
**Election Results**

The BSCA annual association meeting was conducted 19 August, 2021. Besides the normal agenda business that is documented in the meeting minutes, the community elected seven Board members.

The seven Board members are:

**John Ailes (new board member)**  
**Susan Carter (new board member)**  
**Jason Heron (new board member)**  
**Jamie Kaiser (new board member)**  
**John Medeiros (re-elected)**  
**Aaron Reddell (re-elected)**  
**Ryan Walker (re-elected)**

There were 67 proxy or in-person ballots submitted, with 410 individual candidate votes cast for the proposed slate with four write-in candidates. Susan Carter was elected as a townhouse representation requirement write-in candidate.

In accordance with the BSCA Bylaws (as amended in 2015) board members are elected to serve 3-year terms and the board is required to select Board officers from the seven new Board members. The Board will meet promptly to select the four officer positions (Pres., V. Pres., Secretary and Treasurer). The Board officer positions serve for a 1-year term and will be announced once the Board has met.

Thank you to all the association members who cast their proxy vote or attended the annual meeting in person – well done!
