**HOW IT WORKS:**

1. The season will run from July 14<sup>th</sup>-July 31<sup>st</sup>. Practices will occur on Tuesday- Friday for 12 practices total (see below).
2. Each practice session will be 45-minutes in length starting at 8:45am.
3. Swimmers will be assigned to A LANE and will remain in that lane for the entire season. **Swimmers may not trade lanes with other swimmers** and coaches will check during each practice to ensure the correct swimmer is in the correct practice lane.
4. There will be a MAXIMUM of THREE swimmers to a lane-
  - a. Younger swimmers will be swimming 25-meter lengths and walking around to designated social distancing spots while waiting their turn to swim again.
  - b. Older swimmers will be split with swimmers starting at opposite ends of the pool
5. Friday practices will be designated as “meet” days, followed by socially distance approved games.
6. Swimmers will arrive 5-minutes prior to practice in swimsuit, cap on (if desired), with goggles. **Coaches will not be able to assist with these activities due to social distancing guidelines.** Swimmers will line up in the parking lot of swim club in area designated for their lane (we will mark with chalk prior to start of practice) and proceed onto the pool deck when directed by the coach or team reps. **Swimmers 10+, as well as any high risk individuals, are strongly encouraged to wear a mask to the pool and remove it when they are in place behind their lane on the pool deck.**

7. All swimmers will complete a daily health screening as enforced by the swim club.
8. Parent/Guardian of swimmers 10 and under will remain at the pool, in the *parking area*, for the duration of practice.
9. Swimmers will be dismissed directly from the pool back to the parent/guardian at the end of practice and are asked not to congregate in the pool area. Coaches will then disinfect the pool and reset for pool opening.
